Died Too Young: Stars Reveal Secrets From Beyond the Grave Terry and Linda Jamison

Is death the final stop for humanity?

Not according to The Psychic Twins.

Professional mediums Terry and Linda Jamison--known worldwide as The Psychic Twins--apply their extraordinary intuitive skills and empathy to ask stars on the Other Side: What REALLY happened to you in death? In life?

Asking tough questions about drug use, foul play, self-worth and stardom, The Psychic Twins invited eleven celebrities to engage in an Otherwordly conversation.

And they accepted.

Sharing poignant personal information, messages to fans, regrets to friends and family--and divulging secrets surrounding their passing--these stars featured in this book will take readers on a spectacular journey of despair, hope, redemption and forgiveness.
