A treasury of powerful quotations from the spiritual classic, Oneness, with breath taking images that capture their essence and bring them to life.

Rich with profound spiritual understandings and catalysts for change, these core teachings from Oneness (the Divine Presence many refer to as God) take us to the outer reaches of our own humanness and to the depths of the Divinity within. The words are loving and personal, and convey a sense of sacredness that touches the heart.

Here, in these words of wisdom, we discover the clues that inspire us to create the kinds of lives we long for, and help us release the energies that prevent us from realizing our dreams. We learn to recognize the emotional patterns that undermine our best intentions. And we start to harmonize with the powerful energies building all around us and with the power of Creation that s driving it.

This exquisite collection of spiritual pearls, culled from the Divine wisdom of Oneness, empowers us to take a quantum leap into our own inner depths and totally transform our lives and our world. Oneness The Pearls takes us by the hand on the sacred journey of Self-discovery to another octave of Beingness and helps us embrace who we really Are.
