Life Should Be Beautiful and Fruitful. Are you experiencing all that life can be? The taste of life should be sweet. The aroma of life should be invigorating. The touch of life should arouse the senses. The sound of life should be inspiring. The radiance of life should be enlightening. Life is meant to be peaceful, joyful and fruitful, not turbulent and overwhelming. You are not meant to be a victim, but rather the master of your own destiny. The Holistic Way to Self-Discovery ("The WAY") is an innovative 21st century practical system created by the Self-Discovery Research Institute ([www.sdri.org](http://www.sdri.org)) to help seekers grow, make a difference and experience the beauty and fullness of life. The WAY transforms seekers into finders.
