My Little Blue Ball (I CAN READ SERIES Book 1)

Agnes Musa

My Little Blue Ball (I CAN READ SERIES Book 1) Agnes Musa

This is a book for people learning to read English, learning English as a second language and for parents teaching children to read. Emphasis is on familiarizing learners with frequently used words through repetition and mastering reading early by concentrating on words alone, without linking words to pictures. The first part of the book is a story. The second part lists most of the words from the story. This helps master reading words faster, as repeating helps to learn and how to spell. The book, one of several titles at the same level by the same author (also available here) features a theme that focuses on young children's lives.
