**Pillow Soft Secrets: A Manic Journey Through Life, Love & Lust (Collector's Edition)** Kandayia Ali  
"Pillow Soft Secrets is a series of my quotes, poems, ramblings, short stories, rants, raves, conundrums, run-ons and attempts to rebel against life, only to end up accepting myself- in all my maladroitness; it depicts my being and thought process; not just the current but throughout my entire life. This book wasn't made to be perfect- and is extremely grammatically 'incorrect' in a lot of ways. This was done on purpose. My only reason for writing the book this way was to emphasize earth born err in a world where perfection is overrated. This is my diary, my words, my thoughts, my emotions, my life, my love, my heart— written my way- in all it's 'perfect' imperfections. Mature audience only. This book has something that everyone can relate to. Definitely a bedside keeper!" "Pillow Soft Secrets means a lot of things to me- its sorta like through the production of it, I'm able to shape shift- being a person who can feel all people, on all levels. From pain, to pleasure, from remembering a lost loved one to finding metaphors that defines my emotions, to even having love or finding myself dreaming of it every night. I want to say its just a chaotic recorded diary of ramblings and thoughts thrown together; then, I would HAVE to say it's far more than that, because I chose to really expose myself and my hunger to be viewed the same as everyone else- but still wanting to be viewed as being different." "I just want to be able to give someone out there a reason to pick up a talent, that special gift that was so heavenly bestowed upon them- and use it to express themselves. I want to bring hope where there wasn't any before; share my inner self with those who can relate to my hunger for life and the importance of accepting and loving yourself. So, there you have it folks; Enjoy "Pillow Soft Secrets: A Manic Journey Through Life, Love & Lust" - my book of rebellion, ramblings, poems, short stories, metaphors, life lessons and quotes- all compiled into one production!" "Most dare to say, what I have said in this book- to speak out and feel emotions on such an intense level. Luckily, I don't have any fears... Enjoy the roller coaster ride! Buy the book- I guarantee, that there is something for everyone in it!"
