**[(A Reader's Guide to Wallace Stevens)] [Author: Eleanor Cook] published on (March, 2009)** Eleanor Cook

Wallace Stevens is one of the major poets of the twentieth century, and also among the most challenging. His poems can be dazzling in their verbal brilliance. They are often shot through with lavish imagery and wit, informed by a lawyer's logic, and disarmingly unexpected: a singing jackrabbit, the seductive Nanzia Nunzio. They also spoke--and still speak--to contemporary concerns. Though his work is popular and his readership continues to grow, many readers encountering it are baffled by such rich and strange poetry. Eleanor Cook, a leading critic of poetry and expert on Stevens, gives us here the essential reader's guide to this important American poet. Cook goes through each of Stevens's poems in his six major collections as well as his later lyrics, in chronological order. For each poem she provides an introductory head note and a series of annotations on difficult phrases and references, illuminating for us just why and how Stevens was a master at his art. Her annotations, which include both previously unpublished scholarship and interpretive remarks, will benefit beginners and specialists alike. Cook also provides a brief biography of Stevens, and offers a detailed appendix on how to read modern poetry. A Reader's Guide to Wallace Stevens is an indispensable resource and the perfect companion to *The Collected Poems of Wallace Stevens*, first published in 1954 in honor of Stevens's seventy-fifth birthday, as well as to the 1997 collection *Wallace Stevens: Collected Poetry and Prose*.

**Ruth Zimmer:**

As a student exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some reserve, they are complained. Just tiny students that has reading's internal or real their hobby. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that reading is not important, boring along with can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this [(A Reader's Guide to Wallace Stevens)] [Author: Eleanor Cook] published

on (March, 2009) can make you really feel more interested to read.
