Black Economics: Solutions for Economic and Community Empowerment Dr. Jawanza Kunjufu

This micro- and macro-analysis of economic conditions in the black community explores why African Americans earn only 61 percent of white American income, why many African Americans prefer to maintain a “good job” rather than own and operate their own businesses, and why African American consumers only spend 3 percent of their \$600 billion in African American businesses. Topics covered include present and historical analysis, foreign economic success, the global economy, obstacles to development, and black consumers and entrepreneurs. This replaces 091354325X.
