Fingers for Lunch Brandt Lewis

A unique die-cut format provides hours of finger-play fun for parents and toddlers!

For lunch today I have a fine treat: five little fingers for Monster to eat! In this silly playtime rhyme, young readers will burst into giggles as they fit their fingers through die-cut holes and make them wiggle and squirm while a hungry little monster tries to gobble up every last bite! Parents play the part of the monster and "eat up" their laughing little ones fingers, turning the pages to make the holes disappear one by one until there are no wigglers left. Then start back at the beginning, this time with mom or dad's fingers in the holes-- if they're willing to risk it!
