College girl meets boy online. A killer targets girls like her. She's next on the list. The boy wants to save her. She thinks it's him. It's worse than they both think. Marlow's just a regular geeky freshman with little to no experience with girls, so when he has a semi-flirtatious chat with a cute girl online, it's almost more than his nerves can handle. Then the girl is brutally murdered. Or is she? Marlow finds himself teamed up intelligent and savvy Sage Farrell, a girl so far out of his league he feels blinded in her presence - literally - damn glasses! Together they work to find the identity of @gingerbreadman. Can they stop the killer before he strikes in more worlds than one?
