From Book 1: the sequel to The Carter Boys, and For the Love of ATL combined. You MUST read those two first! ATL-- Carter boys -- Hoodlums! Okay so I'm pretty bad at descriptions, and summaries so I'll do the best I can. This first book is basically going back, explaining why things are the way they are. How Tiffany and Jeremy met (if you don't know them, you need to read ATL.) How the older Carter Boys were when they were younger. Why Olivia is the way she is..etc...alot of flashbacks. Setting it up for the rest of the series. Hope you guys enjoy!
