Who loves young teens more than they could ever imagine? Who longs to give them self confidence and a strong identity, to help them be what they were meant to be? Jesus. Help youth workers introduce young teens to the radical messages of Jesus. This study points students to the supernatural power of Jesus Christ and the lessons He taught, which still ring true today for young people.

From the miracle of raising Lazarus to Christ's own resurrection and ascension, students will be filled with awe and amazement that the eternally powerful Christ wants a personal relationship with them. Key themes throughout show the balance Christ showed between His power to heal and to cast out demons, and His tenderness to love and care for His disciples and followers, and for us. His parables communicate a spiritual truth or religious principle through simple, but powerful, stories that students can relate to. The 3 four-week modules explain who Christ is, and how each of us can follow His example to a fruitful and fulfilled life.
