Deep Like the River

Tim Waggoner

Deep Like the River Tim Waggoner

It was supposed to be fun. A chance to get away. An opportunity for two sisters to bond and for one sister to heal. It was a small river, calm, slow-moving. Perfect for a leisurely canoe trip on a beautiful summer day.

But then they hear a baby crying on the shore, abandoned and overheated. Alie and Carin have to take her with them. They can't just leave her there.

A simple canoe trip becomes a rescue mission. But there's something on the shore, hidden by the trees. Something that's following them every step of the way – watching, waiting . . .

Around every bend, the river becomes stranger, darker, more dangerous, until Alie isn't sure what's real and what isn't. The river wants the child for itself, but no matter what it throws at her, Alie's determined to get the baby to safety. She's already lost one child. But she'll have to fight the darkness that haunts the river – as well as the darkness within herself – if she doesn't want to lose another.

"Waggoner's new work is a new high water mark for him. Its chilling waters will take you into dark places...and weirdly enough you'll have a great time. Recommended. Wear a life jacket." - **John Shirley**
author of Doyle After Death

"A descent into the madness of a ruined psyche, 'Deep Like the River' puts Waggoner's talent for the eerie, desolate, and unpredictable in the spotlight. A must-read for those who like their horror tinged with desperation and guilt." - **Ronald Malfi, author of Cradle Lake**

"I don't know if I've ever read a story quite like Tim Waggoner's DEEP LIKE THE RIVER. With its high emotional and metaphysical content and weird, surrealistic imagery, it reads a bit like Algernon Blackwood's "The Willows" with Kafka collaborating and Carl Jung offering occasional advice. Or maybe it's an adventure story that's taken a sudden turn into The Twilight Zone. However you characterize Waggoner's approach, the result is a fine piece of writing exploring the mysteries of a mind struggling with the guilt, pain, and terror of grief." - **Steve Rasnic Tem, author of Blood Kin**

From reader reviews:

Travis Ralls:

Playing with family in a very park, coming to see the coastal world or hanging out with good friends is thing that usually you have done when you have spare time, then why you don't try issue that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love Deep Like the River, you can enjoy both. It is fine combination right, you still wish to miss it? What kind of hang-out type is it? Oh come on its mind hangout people. What? Still don't have it, oh come on its called reading friends.

Francisco London:

In this time globalization it is important to someone to find information. The information will make a professional understand the condition of the world. The healthiness of the world makes the information easier to share. You can find a lot of referrals to get information example: internet, paper, book, and soon. You can observe that now, a lot of publisher which print many kinds of book. Often the book that recommended to you personally is Deep Like the River this guide consist a lot of the information on the condition of this world now. This book was represented how do the world has grown up. The language styles that writer make usage of to explain it is easy to understand. Typically the writer made some research when he makes this book. Honestly, that is why this book appropriate all of you.

Rebecca Goza:

As we know that book is significant thing to add our knowledge for everything. By a guide we can know everything we want. A book is a list of written, printed, illustrated as well as blank sheet. Every year was exactly added. This e-book Deep Like the River was filled concerning science. Spend your time to add your knowledge about your scientific research competence. Some people has distinct feel when they reading any book. If you know how big good thing about a book, you can really feel enjoy to read a guide. In the modern era like right now, many ways to get book that you simply wanted.

Sheri Combs:

That reserve can make you to feel relax. This specific book Deep Like the River was colorful and of course has pictures around. As we know that book Deep Like the River has many kinds or type. Start from kids until teenagers. For example Naruto or Private investigator Conan you can read and think you are the character on there. Therefore not at all of book are usually make you bored, any it can make you feel happy, fun and unwind. Try to choose the best book for you personally and try to like reading in which.
