The EFM Certification Review Book is now in its second edition (September 2012) and includes the latest information on EFM needed to review for the certification exam. The format is a 190 page coil-bound workbook with case studies, 110 end-of-chapter multiple choice questions and 14 practice strips with 119 questions pertaining to strip interpretation and management. The style is outline with detailed descriptions and illustrations. All answers are in the appendix, allowing for easy self-assessment. The workbook was originally designed to be used during seminars, but it has been reformatted so that it can be used on an individual basis for exam preparation. It can also be used by an instructor as a syllabus and workbook when teaching a review course.
