Although there are graduate schools all across the country, only a select group of people are admitted to these programs each year. Many people become overwhelmed by the process of choosing and applying to grad school, as well as the possibility of rejection. However, with this new book, you can significantly increase your chances of being accepted to the grad school of your choice.

This new, carefully researched book contains valuable information for those who are still in college and intend to apply for grad school and those who are returning to school after a hiatus. Whether you are applying to grad school to prepare for a profession, get a specific job, potentially earn more, or simply for personal achievement, this book will explain exactly what you need to know in simple, easy to understand terms. You will learn how to choose a school, how to determine a program of interest, how to resolve unforeseen problems, such as a lost transcript or delinquent recommendations, how to conduct research online, how to request transcripts, how to ace the personal interview, how to deal with rejection, and how to accept or reject an offer.
