The Balkan Odyssey: Travels around the former Yugoslavia...oh, and Albania too! Jason Smart

Travelling through cities and towns once ravaged by the Balkan Wars, Jason Smart witnesses firsthand the beauty of this much-maligned region. With his friend, Michael, they find out that the Balkans is not a region to avoid; it is a part of Europe to explore and embrace. From the urban sprawl of Belgrade, to the tranquility of a glacial lake in Slovenia, the pair experiences the Balkans up close. Find out how they end up in a rickety clock tower in Macedonia, do battle with a sticky nemesis in Kosovo, and learn that Albania had a king called Zog. The Balkan Odyssey is a journey through every country of the former Yugoslavia (and Albania too). Join Jason as he visits Serbia, Bosnia & Herzegovina, Croatia, Slovenia, Montenegro, Macedonia, Kosovo and Albania. Jason Smart is a published author, with articles appearing in both magazines and print. Currently he has two other travel books published, together with a book chronicling his journey to become a pilot. Find out more at his website www.theredquest.com.
