Essentials of Surgical Specialties (Essentials of Surgical Specialties (Lawrence))

Essentials of Surgical Specialties, Third Edition provides students with exactly what they need to learn and retain the clinical foundations in surgical specialties. Organized by specialty, the book explains the basic skills needed in nine core rotations and prepares students for their clerkship. More than 200 illustrations demonstrate relevant anatomy and common surgical approaches.

This edition provides updated information on treatment options, imaging modalities, operative techniques, laparoscopic and robotic surgery, surgical devices and products, and postoperative care. Multiple-choice questions have been expanded and rewritten to NMBE format.

A multiple-choice question bank will be available online at thePoint.
