How to Find Out About Canada

How to Find Out About Canada

How to Find Out About Canada presents the various aspects of the social and political structure in Canada. This book examines the literature, arts and science, economy, and educational system in the country. Comprised of 15 chapters, this book starts with an overview of the Canadian government publishing and several periodical publications. This text then describes the religious development of the nation encompassing all primary denominations and their intimate relationship to economic and political life. Other chapters consider the various studies in the political and social fields that are carried on by governments, labor unions, industry, cooperatives, and the various Canadian political parties. This book discusses as well the degree of standardization and equality of educational opportunity for children in all parts of Canada. The final chapter deals with the various documents relating to the history of Canada. This book is a valuable resource for students, teachers, and readers whose interests span a variety of fields.
