**Three adorable bear cubs learn that even though they are very different, Mama and Papa love them all the same!**

This humorous, rhyming story features three bear siblings who are *very* different: they don't look the same or sound the same or eat the same. Brown Bear only wants honey; Polar Bear craves fish; and little Panda Bear snacks only on bamboo shoots. When playing hide-and-seek in the snow, Polar Bear always wins. And little Polar and Panda are always bored while Brown Bear is hibernating. How could they get along in a family when they are so, so different? With gentleness and love, Mama Bear and Papa Bear assure their cubs that even though they are different, they are loved the same, and God put them in the same family for a purpose.

Darling illustrations by Alison Edgson (*An Easter Prayer*, 2012) add even more sweetness to this comforting message. The book is also a great resource for adoptive families who want to assure their children that whether biological or adopted, each of them is incredibly loved.
