**Mr. and Mrs. Smith** Cathy East Dubowski

Jane Smith is charming, sexy, successful, and intelligent, a rare combination of domestic goddess and savvy businesswoman. Although she and her equally perfect husband seem to be the ideal couple, the spark has faded from their marriage. That is, until they win free sessions with a counselor. What they keep hidden from their therapist and each other, they confide in the journals they've been coaxed to keep.

Jane and John Smith are actually hired assassins working for rival organizations -- and their next assignments are ... each other! And so begins the kind of cat-and-mouse game that attracted Jane to John in the first place -- a roulette dangereuse that will either lead to a rekindled passion most married couples can only dream about ... or to cold-blooded murder.

This is the incomparable love story that inspired the sexy action-adventure *Mr. and Mrs. Smith* from Twentieth Century Fox. It's a no-holds-barred confessional filled with the kind of steamy details rogue agents can only tell their diaries.
