ROMANCE: PARANORMAL ROMANCE: Dirk's Pack (Alpha Male Werewolf Shifter Pregnancy Romance Collection) (New Adult Paranormal Romance Collections: Dirk's Pack Volumes 1-4) Kristina King

Dirk has moved his pack away from civilization to get away from it all and stay out of trouble. However, his pack members have different ideas, and trouble seems to find them...

FOUR WEREWOLF SHIFTER BOOKS - Plus Bonus Alpha Male Collection!

- 1. Luca's Mate**
- 2. DIRK**
- 3. Taming Gunny**
- 4. A Werewolves' Christmas**

Luca's Mate

Luca was a **lone wolf** and definitely wasn't looking for love.

In fact, he was more worried about his pack leader Dirk, whose wife and child had died recently.

However, Luca's patience with his leader has worn thin. Luca tried his best to support his alpha, but Dirk was making radical decisions without talking it over with the rest of the wolves; like moving his pack of young single werewolves to live a 'simple' off-grid life in the wilderness.

Moving to the middle of nowhere didn't seem to have any upside, until a rainy, stormy night when a strange woman appeared on his doorstep.

Melissa was determined to prove she could survive on her own, she wasn't just a **spoiled rich girl** who got handed everything with a silver spoon in her mouth. However, she bit off a little more than she could chew when she decided to go into the woods alone to prove she could take care of herself. She got lost and ended up stumbling upon Luca's compound, asking for help. Drenched and cold, the **spark between them was instant**. Throwing caution to the wind, Melissa gave in to the **wild chemistry that brewed** between the two of them.

DIRK

SHE'S HIS MATE AND HE WILL FIGHT TO THE DEATH TO PROTECT HER"

Dirk has a responsibility to **his pack**; keep them safe, healthy and happy, even at the expense of his own happiness. Having lost his mate and child in the past, he knows he's been grumpy and bitter since it happened but he's trying to move on.

When a fellow pack leader's daughter calls him, **begging for his help he can't say no**.

He picks her up and finds out she's been abused, and is **pregnant**. He feels **obligated to protect her at all costs**. Almost irrationally so.

Realizing she's his **mate**, he's prepared to fight to the death to **protect** her.

When the man who's threatening both packs shows up to challenge him for the girl, will Dirk be able to win?

Taming Gunny

Whatever was brewing between the two of them, Gunny couldn't decide if it was going to end up being an explosion of sexual passion, or fiery hate...

Gunny was an anti-social loner who had joined Dirk's pack after his father died. Getting through college and surviving pretty much as a **lone wolf**, sharing his space was hard for him.

Dirk required Gunny to share his home with the midwife who was going to deliver the baby for his mate. Gunny reluctantly agreed and had her **turn his world upside down**.

The woman never wore a bra, didn't care if she made him uncomfortable and delighted in pestering him and making sexual jokes to get under his skin.

The sexual tension and chemistry between them is absolutely explosive, but will Gunny be able to let go

of his lone wolf status to **embrace his mate** or will she leave after she does the job she came to do?"

A Werewolves' Christmas

Justin wasn't looking for a mate, but he was bribed with gingersnap cookies to stay and keep Melissa's cousin company.

Lucy has a big secret, and it's why she'd avoided her cousin for the last few years, but has decided to visit for Christmas. Melissa has missed her cousin and has decided to see if she can **set her up with one of her pack mates**, and this may entice her to stay around for a while.

When Justin meets her and there are **sparks flying everywhere**, but then he realizes she's got a secret. He can't believe that Melissa didn't pick up on this secret. It's big.

Can Lucy come out hiding and expose her secret?"
