The Cat Rescue Diaries Book 2: 67 More True Life Stories of Cats Who Found Their Forever Homes, and the People Who Saved Them

"What's the best kind of cat to get?" Asked a reader.

That's easy, the one that chooses you, or the one that needs your help the most. Either way, your life is never the same afterward.

Take it from the people whose cats are featured in the stories in book two of The Cat Rescue Diaries. These people changed the lives of each cat they adopted, and in return, their lives were transformed as well.

As in the first book in this series, each short tale was written by the cat parents themselves. These are good-hearted people who took a chance, and came to the aid of a cat in need. The end result? Both feline and human were better off.

Some of the stories will make you smile, some will make you cry, and some may just inspire you to welcome a new cat into your home yourself.
