She has nowhere to go, except the dilapidated mansion she's just inherited from her Granny Minna. Unfortunately, Bailey discovers the house has a history as shadowy as its hidden passages and finds the neighborhood overflowing with some rather quirky folks. Bailey suddenly feels like she's trapped inside the pages of a gothic novel - but with a comedic twist. In order to honor her grandmother's wishes and stay at Volstead Manor Bailey must unravel a string of mysteries and secrets, which all seem determined to stay happily ever buried.
