Chronological Bible Commentary and Reading Guide: Read the Bible in a Year in the Order the Events were Presented (Part 2 of 4) Gary Torborg

If you purchased and read the first part of this year-long chronological reading plan, then you are about a quarter of the way through one of the greatest journeys a Christian or seeker can embark upon. Part one covered the period from December 21 through March 21, though one can certainly begin this reading plan on any date. If you did not purchase part one yet, you actually have several options from which to choose for embarking on this chronological Bible study:

1. Start here. Read the introduction to part one (found in the next section) and the Pros and Cons of Different Bible Translations in English, then begin daily readings in the Old and New Testaments starting March 22. After Part Two, continue with parts Three and Four and then One, in that order, simply starting and completing the plan on different dates than how this plan was written.
2. Purchase Part One and start by reading the introduction as well as the Pros and Cons of Different Bible Translations in English (also found here in Part Two), and then read at least two days' worth of readings each day until Part One is completed, then continue here in Part Two doing the same. You will then complete Part Two, this volume, on June 22, on schedule, and can then continue at normal pace with parts Three and Four.
3. Purchase Part One as per #2, except instead of reading two days' worth each day, simply start one day's reading per day like normal, just having started it approximately 3 months later than originally scheduled. No matter which method you use to read through the Bible, it is among the most valuable and rewarding things you'll ever do. Let this and Part One be your guidebook (parts 3 and 4 will be available in June and September, respectively).

Peace be with you!
