Diagnosis: A Symptom-Based Approach in Internal Medicine C. S. Madgaonkar

Diagnosis: A Symptom-based Approach in Internal Medicine is a concise guide to diagnosis various conditions, based on the symptoms presented. The book discusses in detail, both common and uncommon symptoms and their interpretation, to help practitioners achieve an accurate diagnosis and prescribe appropriate treatment. With the help of illustrations and images, the text also guides students and clinicians through possible 'red flags', helping them not to mis-diagnose certain disorders.
