## Hide and Seek (Part 2) Amy Bird

It's been thirty years since it happened. A lifetime, for some. Yet I still hear his cries. I still feel eyes on me. Still hear the whispers: *I know what you did.*

I've spent so long hiding that I barely remember what it's like to be seen – to be known for who you really are. But all that must stay where it's buried. For better, for worse.

No-one can ever know what happened that day. And no-one ever will. Because they can seek all they want, but this is a secret I'll take to my grave. No matter who comes knocking.
