How to Knit a Poppy Trish

A very simple pattern with clear instructions resulting in a beautiful little poppy. I typed this pattern out for a friend who has designed her own poppy and then, after numerous requests from the rest of us, wrote out the instructions and we have all chipped in for the cause and knitted a few each. But I was so impressed with how simple it was yet with such lovely effects that I persuaded Trish to let me upload it and sell it as an e-book. We have decided that all proceeds from this pattern's sales will go to the cause itself and I am trying to persuade her now to write down more of her designs, so watch this space!
