I still remember when I was alone, I embarked on too much self-destructive behavior. I was rudderless and being tossed about in the stormy sea of life. I do not feel bad that I seek direction as do spiritual people when they seek gurus.

I'm happy to be a sex, pain and domestic slave who has been in the BDSM lifestyle for years. Perhaps my profession as a maid has had something to do with it. I met my current Master by being his maid and since meeting him I have devoted myself to being his full time slave.

I know to what extent I can endure pain and know I am a masochist. I don't know why certain types of pain excite me but it does and it's no longer something I fight.

My Master is very strict and punishment is doled out liberally. Should I make a mistake cleaning as a maid, he and/or the person who's property I'm cleaning, can punish me (with his permission). I have many very sexy, low-cut maid outfits that I wear when I'm cleaning.

My Master wrote out a huge and extensive list of rules in this contract for me to follow and obey. I am sharing these rules and the contract with you for your possible use.

Over 200 aspects of BDSM are discussed in this extensive BDSM contract.

Reading this sexually charged and entertaining BDSM contract together can be your romantic entertainment for many evenings. The larger hard copy version of this contract has what's in this book but has a lot more room for you to make additions and amendments. If you like what you read here, you'll likely want to get the impressive looking 8.5 by 11 inch hard copy edition (called "BDSM Master/slave Contract" and available through this site,) for your actual contract copy. It has been specifically set up to have the look and feel of a legal document.

If you have a Mistress/female slave relationship, also available through this site is "Mistress/slave BDSM Contract."

By going through this contract you'll learn a lot about what BDSM related experiences Master and slave/submissive is into, or might be interested in getting into (and/or to what extent.)

Interests can be developed and explored, if necessary parameters can be discussed and/or set. Perhaps you'll find that certain current interests should be further developed. New ways of doing things will be discovered.
