Panic

Lauren Oliver

Panic Lauren Oliver

From *New York Times* bestselling author Lauren Oliver comes an extraordinary novel of fear, friendship, courage, and hope that *Kirkus Reviews* says "will have readers up until the wee hours," *School Library Journal* raves is "fast-paced and captivating," and E. Lockhart, author of *We Were Liars*, calls "a thrill a minute."

Panic began as so many things do in Carp, a poor town of twelve thousand people in the middle of nowhere: because it was summer, and there was nothing else to do. Heather never thought she would compete in panic, a legendary game played by graduating seniors. She'd never thought of herself as fearless, the kind of person who would fight to stand out. But when she finds something, and someone, to fight for, she will discover that she is braver than she ever thought.

Dodge has never been afraid of panic. His secret will fuel him, and get him all the way through the game; he's sure of it. But what he doesn't know is that he's not the only one with a secret. Everyone has something to play for. For Heather and Dodge, the game will bring new alliances, unexpected revelations, and the possibility of first love for each of them—and the knowledge that sometimes the very things we fear are those we need the most.

From reader reviews:

Edna Miller:

The book Panic can give more knowledge and information about everything you want. Why must we leave a good thing like a book Panic? A few of you have a different opinion about guide. But one aim which book can give many info for us. It is absolutely correct. Right now, try to closer together with your book. Knowledge or facts that you take for that, you could give for each other; you can share all of these. Book Panic has simple shape however you know: it has great and large function for you. You can look the enormous world by wide open and read a book. So it is very wonderful.

Ida Acord:

As people who live in typically the modest era should be revise about what going on or details even knowledge to make these people keep up with the era and that is always change and advance. Some of you maybe may update themselves by studying books. It is a good choice in your case but the problems coming to you is you don't know which one you should start with. This Panic is our recommendation so you keep up with the world. Why, since this book serves what you want and need in this era.

Ricardo Hempel:

Are you kind of hectic person, only have 10 or 15 minute in your morning to upgrading your mind skill or thinking skill also analytical thinking? Then you are receiving problem with the book as compared to can satisfy your limited time to read it because pretty much everything time you only find guide that need more time to be examine. Panic can be your answer because it can be read by you who have those short time problems.

Margaret Pace:

Reading a publication make you to get more knowledge from it. You can take knowledge and information originating from a book. Book is composed or printed or illustrated from each source this filled update of news. In this particular modern era like at this point, many ways to get information are available for you. From media social including newspaper, magazines, science publication, encyclopedia, reference book, new and comic. You can add your knowledge by that book. Ready to spend your spare time to spread out your book? Or just in search of the Panic when you needed it?
