Corporate bad boy? Check!

Hot, alpha male too used to getting his own way, especially with women? You got it!

A strong woman about to bring all that to a crashing halt? Oh yeah!

Desperate and young, Jillian Moore did something she knew would one day come back to bite her in the ass. She'd posed nude. For money. Years later, and on the fast track to a successful career, she's still haunted by her mistake. She can't help but wonder when her past will catch up with her.

Samuel Steele is not short on female attention, but the women who warm his bed pale in comparison to the fantasy he's created of the seductive temptress in the painting hanging prominently in his bedroom. A fantasy that has ruined his once-satisfying sex life. When he discovers that her exact likeness works in his building—works for *him*, in fact—things get interesting. Perhaps there's hope for his sex life after all...

Note, this book was previously published under the same name.

PICTURE THIS is "a super-sexy romp from the boardroom into the bedroom. The **pages sizzle** as alpha male Sam lives out his fantasy."

- Book Wenches

"The sexual tension and animal hunger took precedence, but after that **real emotion and need** took it's place. A very satisfying story on a lot of different levels."

- Night Owl Romance

"Super hot, steamy but with a sweetness often left out of erotic romance Picture This will melt your heart. Both Jillian and Sam's fall into new love is enticing in itself, but especially Sam's. Ms. Hart portrayed his inner emotions with such depth. It's truly a **rare skill for a female writer to master the male point of view**, but I think you'll agree she tackled the task beautifully."
