If you've ever been intrigued by the tarot but were confounded by the complexities of multi-card spreads and the vague interpretations given in most books, this is the guide for you.

Here is a real breakthrough in interpreting the tarot!

With *Tarot Made Easy* you can easily interpret the meaning of any card and apply it to the particular circumstances of your life. With the simple process outlined here, you need only choose *one* tarot card and then consult one (or several) of the 32 categories listed under each card -- including Romance, Travel, Career, Finances, Friends, and Special Guidance -- to discover the card's specific message for you.

For example, if you want to know about your romantic future and the Queen of Cups turns up, you may find that the standard description given is "an honest, devoted woman; loving intelligence and happiness." How should you interpret this? But with *Tarot Made Easy*, the Queen of Cups Romance category tells you that "someone will enter your life in whom you will be very interested...and you will meet this person very close to your home, if not outside your front door." This easy but accurate system banishes the vague interpretations found in most books and gives you the immediate, specific insights you need.
