Jeffrey Toobin

The Oath: The Obama White House and The Supreme Court Jeffrey Toobin

A *Washington Post* Notable Work of Nonfiction

From the moment Chief Justice Roberts botched Barack Obama's oath of office, the relationship between the Court and the White House has been a fraught one. Grappling with issues as diverse as campaign finance, abortion, and the right to bear arms, the Roberts court has put itself squarely at the center of American political life. Jeffrey Toobin brilliantly portrays key personalities and cases and shows how the President was fatally slow to realize the importance of the judicial branch to his agenda. Combining incisive legal analysis with riveting insider details, *The Oath* is an essential guide to understanding the Supreme Court of our interesting times.
