We, the Navigators: Ancient Art of Landfinding in the Pacific (Hardback) - Common Volume editor Derek Oulton By (author) David Lewis

The second edition of David Lewis' classic book on Pacific navigation promises to satisfy yet again scholars and seafarers alike - and all others who have marveled at the ability of island mariners to navigate hundreds of miles of open ocean without instruments. The new edition includes a discussion of theories about traditional methods of navigation developed during the past two decades, the stor...
